

Bluejay iPad Contract

I will use clean hands when using the iPad.

I will always use an iHug with two hands to carry the iPad.

I will make sure to plug the iPad in when I see this.

I will only use and download apps my teacher **approves!**

I will keep food and liquids away from my iPad.

I will be responsible and make smart choices while using the iPad.

I will use my voice, not my hands, to help others.
